

*We are a benevolent non-profit society servicing humanity*

January 15, 2018

Dear Friends:

Stella Cometa Vancouver Society is a non-profit organization whose purpose is to relieve poverty. Specifically, we are committed to building a dormitory for persons with mental disabilities in Machakos Kenya. The building will be called "Upendo House"; "Upendo" means love in Swahili.

Please join us for an evening of entertainment while making a difference, at our Society's 3rd Fundraiser Gala Dinner on Friday, April 13, 2018 at the Italian Cultural Centre of Vancouver.

Sponsorship for our charity event is welcome; in fact it is fundamental in making our evening a success. Sponsorship relies on individuals, families, community organizations and businesses to provide:

1. Merchandise for our silent auction
2. Table Sponsorship by category:
  - a. Bronze \$200 - \$400 donation
  - b. Silver \$500 - \$700 donation
  - c. Gold \$800+ donation
3. Financial support

To thank you for your generous contribution, your name or business will be recognized and acknowledged throughout the evening. For table sponsors, signage will be placed on the dinner tables as well as acknowledgement throughout the evening.

Let us join together and show our compassion by making this a successful event for the benefit of all.

Our Society would like to take this opportunity to thank you for taking the time to read this letter, for your consideration to contribute to our project and for your support.

Sincerely,

Gino Lovato  
President, Stella Cometa Vancouver Society
